2019-2020 Resource for Students and Parents/Guardians

Acceptable Use Policy for Staff and Students

OUR VISION

The Education Cooperative (TEC) provides technology tools to support an inquiry-based, collaborative learning environment where technology resources are integrated throughout the curriculum as part of daily classroom practice in a way that enhances teaching and supports the individual learning style of each student.

TEC recognizes that the use of computers, mobile devices, networked services, email, and the Internet have become, if used appropriately, an integral part of an engaging, student-centered, and collaborative learning environment. It is understood that all of our computer networked services are provided exclusively for educational purposes.

TEC filters all internet traffic for the purpose of safeguarding staff and students from harmful content. TEC also provides supervision and education related to appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms, and regarding cyber-bullying awareness and response. However, it is still the responsibility of all computer users to make sure they comply with providing a safe and secure learning environment when using technology.

TEC encourages parents/guardians to supervise their child(ren) when using technologies from home.

AVAILABILITY

Chromebook Care and Use Policy Guide

RECEIVING YOUR CHROMEBOOK

Your Chromebook will be assigned to you. You are responsible for the care and use of the Chromebook and should always use the specific Chromebook assigned to you. Chromebooks will be used in class unless you are specifically advised not to do so by your teacher.

RETURNING YOUR CHROMEBOOK

At the end of the school year, the condition of your Chromebook will be assessed by the staff. There may be a charge for any damage or missing components. (See below)

TAKING CARE OF YOUR CHROMEBOOK

Students are responsible for the general care of the Chromebook issued to them by the school. Chromebooks that are broken or fail to work properly must be taken to your teacher as soon as possible.

GENERAL PRECAUTIONS

- No food or drink should be near the Chromebooks.
- Cords, cables, and removable storage devices must be inserted carefully into Chromebooks.
- Chromebooks should not be exposed to extreme temperatures (hot or cold).
- Chromebooks must remain free of any writing, drawing, or non-removable stickers. Static-cling decals that peel off easily are permitted.
- Heavy objects should never be placed on top of Chromebooks.
- Do not place the Chromebook on an uneven surface where it might accidentally fall.
- Do not block air flow when the Chromebook is on. While your Chromebook does not get overly hot as a traditional laptop might, it does need to breathe.
- Chromebooks should not be used where a cord could be a tripping hazard (power cord, projector, etc.).

CARRYING CHROMEBOOKS

- Always transport Chromebooks with care.
- Never lift Chromebooks by the screen.
- Never carry Chromebooks with the screen open.

- Do not put pressure on the top of a Chromebook when it is closed.
- Do not store a Chromebook with the screen open.
- Make sure there is nothing on the keyboard before closing the lid (i.e. pens, pencils, flash drive, etc.).
- Only clean the screen with a soft, dry microfiber cloth or anti-static cloth.

ASSET LABELS

- All Chromebooks will be labeled with a TEC asset label. The asset label indicates the Chromebook is property of TEC. Do not remove the asset label.
- TEC will maintain a log of all Chromebooks that includes the Chromebook serial number, asset label code, and name of the student assigned to the device.
- Each student is assigned the same Chromebook for the duration of his/her time at TEC. Take good care of it!
- Asset labels may not be modified or tampered with in any way. Students may be charged up to the full replacement cost of a Chromebook for tampering with an asset label or turning in a Chromebook without an asset label.

USING CHROMEBOOKS AT SCHOOL

- At the start of the school day students will sign out their Chromebook.
- Chromebooks must be stored in the recharging cart at the end of school each day.
- Students will log into their Chromebooks using their school-issued Google Apps for Education account.

- Some files may be stored on the Chromebook's hard drive.
- Students should always remember to save frequently when working on digital media.
- TEC is not responsible for the loss of any student work.
- Students are encouraged to maintain backups of their important work on a portable storage device or by having multiple copies stored in different Internet storage solutions.

OPERATING SYSTEM AND SECURITY

- Students may not use or install any operating system on their Chromebook other than the current version of ChromeOS that is supported and managed by the district.
- The Chromebook operating system, ChromeOS, updates itself automatically.
- Chromebooks use the principle of "defense in depth" to provide multiple layers of protection against viruses and malware. There is no need for additional virus protection.
- TEC utilizes an Internet content filter that is in compliance with the federally mandated Children's Internet Protection Act (CIPA).

SOFTWARE - GOOGLE APPS FOR EDUCATION

- TEC students will use Google Apps for Education. Chromebooks seamlessly integrate with the Google Apps for Education suite of productivity and collaboration tools. This suite includes Documents, Spreadsheets, Presentations, Drawings, and Forms.
- Students are not allowed to download any web apps or software without prior approval from a teacher.

- Students should not save work to the hard drive of loaner Chromebooks.

ESTIMATED COSTS OF REPAIR (SUBJECT TO CHANGE)

In the event that your assigned Chromebook needs repair due to misuse, abuse, or accident, the following are approximate costs of Chromebook parts and replacements. TEC will determine if you are responsible for these costs based on the circumstances surrounding the damage.

- Replacement - \$350.00
- Screen - \$100.00
- Keyboard/Touchpad - \$75.00
- Power Cord - \$50.00

PRIVACY EXPECTATIONS

School-issued Chromebooks have been configured to optimize the educational experience for students and staff as well as protect students from harmful content per federally mandated guidelines. As mentioned previously, all devices on the school network go through a content filter that prevents students from accessing harmful content. This filter also logs user activity, including those websites accessed by the end user. The filtering policies are a requirement of the Children's Internet Protection Act (CIPA). We do NOT share student information outside of the school. However, student email is able to be reviewed by school personnel. School administrators can read all emails that students send or receive with their school email account to ensure appropriate use. For regulatory purposes, student email is automatically archived, so there is a copy of every email that students send or receive for administrators to review, even if the student deleted the email message from their email account.

APPROPRIATE USES

SCHOOL-ISSUED CHROMEBOOKS SHOULD BE USED FOR EDUCATIONAL PURPOSES AND STUDENTS ARE TO ADHERE TO THE TEC ACCEPTABLE USE POLICY, THE SCHOOL HANDBOOK AND ALL OF ITS CORRESPONDING ADMINISTRATIVE PROCEDURES AT ALL TIMES.

STUDENT EMAIL GUIDELINES

TEC recognizes that electronic mail (email) is a valuable communication tool that is widely used across our society. We believe that, by providing you with a TEC student email account, you will have access to a powerful communication tool that will promote student-to-student and faculty-to-student collaboration and improve the efficiency and effectiveness of your work.

THERE IS NO EXPECTATION OF PRIVACY FOR STUDENT EMAIL ACCOUNTS

Email messages are not confidential and are considered public documents accessible to other parties under the Freedom of Information Act and other laws. Copies of all sent and received emails are archived and able to be reviewed by designated school officials, even if the message has been deleted from your account.

Student email permissions:

- It is expected that you will use email primarily to connect with other students and staff.
- See *How student email is monitored* to learn more about safeguards that have been established to protect you from inappropriate email practices.

Student emails to staff:

- You are encouraged to email staff concerning school-related content and questions.
- There is no requirement or expectation for staff to answer your email outside of their regular workday, although they certainly may if they choose.
- An unanswered email to a teacher would not excuse you from turning in an assignment.

General email guidelines for students:

- Email is to be used for school-related communication.
- Do not send harassing email messages or content.
- Do not send offensive email messages or content.
- Do not send spam email messages or content.

- All sent and received email messages are archived.
- The archive retains a copy of all sent and received messages even if you delete them from your inbox.
- Rules and filters are set up to monitor your email for profanity, harassment, and other inappropriate content.
- Student email that is identified as inappropriate will be blocked from delivery, and instead will be sent to the school administration.
- At any time and without prior notice, TEC reserves the right to monitor, inspect, copy, review, and store any and all email correspondence.
- Because email activity is considered public domain, no one (including staff) should have any expectation of privacy regarding such materials.

Consequences of misuse of email:

- Email is an integral part of research and class work. However, abuse of this technology can result in loss of privileges. Students who use the email system inappropriately may lose their access privileges and may face additional disciplinary or legal action.
