Re: Announcement of Pricing Model Effective July 1, 2021

Thank you for being a member of the TEC Student Data Privacy Alliance of Massachusetts. By working together, we have leveraged our collective capacity to negotiate with vendors. As a result, over 20,000 TEC Data Privacy Agreements are currently protecting student data in schools and districts in Massachusetts, New Hampshire and Rhode Island!

I am writing to announce that as of July 1, 2021, the Annual Fee will change to \$1.10 per student.

- TEC is removing the \$200 Administration Fee
- The annual per student fee will change to \$1.10
- The maximum annual fee per district will remain capped at \$6,200.
- This will apply to all new Alliance members and renewals that occur after July 1, 2021.
- Please refer to the chart below.
