The following information has been sent to TEC Campus families:

June 4, 2020

Dear TEC Campus Families,

TEC is planning a **remote program** for the summer. You can expect to see a similar level of service for the summer as you and your child have been receiving remotely during the school year. TEC will continue to stay current with all Covid-19 information from the state. If there are opportunities for in-person time at TEC, TEC plans to take advantage of those opportunities. We will not say any more on that right now, as we do not want to get anyone's hopes up.

The program will run from **July 6 through August 14, 2020**. The daily hours will be **8:00am-1:30pm**. This does not mean your child will be at a computer for the duration of the time. It does mean that TEC staff will be running a schedule based on these hours and that TEC staff are available to you during this time.

There will be more information coming soon, but I wanted to get this important information to you as soon as possible. Thank you for your patience as we were all waiting anxiously together for this news.

TEC Campus School Program Director
