Notes:

Essential courses are offered to provide students with added support in prerequisite concepts and skills.
 Foundations courses are standards-based courses adjusted to give students greater support on core concepts and provide additional practice and review.
 Credit Recovery courses not available.
 The World Languages courses require a headset and microphone that are compatible with the computer being used for the course.
 Courses listed as A or B can be taken individually as a Semester course or together as a year-long course.
 Course ():
 Courses with (E) are courses we partner with eDynamics.
 Courses with (AAI) are courses created by Advanced Academics.
 All courses available with a Pearson Online & Blended Learning (OBL) teacher unless otherwise indicated. State-specific certification will vary.
 OBL teachers are not available for credit recovery versions of courses.
 Course list subject to change. Please see Pearson representative for assistance.
