Give your students summer freedom and online flexibility.

Your district can offer an innovative summer school option this year that allows your students to stay engaged academically while still enjoying the freedom of summer.

Pearson’s Virtual Schools division helps schools and districts offer online summer school programs that address students’ needs and adapt to family vacation schedules.

Students can explore new interests and build new skills

With more than 100 different online courses to choose from, a Pearson online summer school solution can suit every student’s needs. Whether you have high school seniors needing math credits for graduation or parents seeking a summer enrichment activity for their kindergartener, our summer programs can help:

- Original Credit Courses help students satisfy graduation requirements, explore their interests, or accelerate their academic progress.
- High School Credit Recovery Courses allow students to retake courses to earn the credits to move forward and acquire the skills to succeed.
- High School Honors and Advanced Placement Courses in Grades 9–12 provide students with rigorous assignments for enrichment, honors, and AP credits.
- Elementary and Middle School Courses offer younger students the opportunity to learn English or Math core concepts, to learn a new language, or to begin exploring career interests.

“Rolling” Start and End Dates

Pearson’s online summer school courses have great flexibility to fit your district’s or school’s summer schedule.

- Choose a start date between June 1st and July 6th.
- Last day of classes is August 4th.

Offer summer school courses taught by Pearson’s expert online instructors.

**High School Credit Recovery**

These courses help high school students recover credits while focusing on the concepts necessary to keep them on track for graduation. These courses are part of a diagnostic prescriptive academic program that assists students in meeting subject standards by identifying areas of strength and weakness and focusing on standards in which students need greater mastery. Credit recovery courses are not NCAA approved.

Summer Smarts Math and Reading
Expand your elementary and middle school students’ skills through a Summer Smarts program. At the beginning of a Summer Smarts program, students are assessed for placement in the academic continuum. Students are then able to progress through the program independently, with individual pathways that maximizes help in the student’s area of need. Throughout the summer, students in the program will be invited to participate in weekly hands-on activities for further engagement in math and reading.

Programs
- Reading (K–2)
- Reading (3–5)
- Reading (6–8)
- Math (K–2)
- Math (3–5)
- Math (6–8)

K–8 Electives
Your elementary or middle school students can be introduced to Spanish or American Sign Language through our online language courses. These innovative courses feature flexibly paced online instruction combined with live practice.

Languages
- Elementary Spanish I (Grades 2–5)
- Elementary Spanish II (Grades 2–5)
- Middle Spanish I (Grades 6–8)
- Middle Spanish II (Grades 6–8)
- Elementary Sign Language
- Middle School Sign Language
