The Transition II classroom offered complimentary hot coffee and Kind Bars to TEC staff on Friday, January 29.

Students helped to make coffee and serve the Kind Bars to staff at a table set up in the hallway outside Room 108.

Our students, through the use of kind words and deeds, helped to make the Kindness Challenge a reality.

Mia making dog treats for classmates dogs!

**Mia and Ms.B made more dog treats for the staff at campus school. The class also mailed out cards to pen pals.**

We made cookies for the custodians to Thank them! We also went around the school putting up small kindness posters!

**The Transition 1 class in Westwood High sent all the Tec Nurses a “Thank you” slide show and video! We are very thankful for everything you do for us!**

**MIA CAME IN TODAY WITH  
COOKIES FOR HER TEACHERS  
AS A THANK YOU. SHE SAID  
IT FEELS GOOD TO BE KIND!  
WE LOVE COLLETTEY'S  
COOKIES! THANK YOU  
MIA!!!**

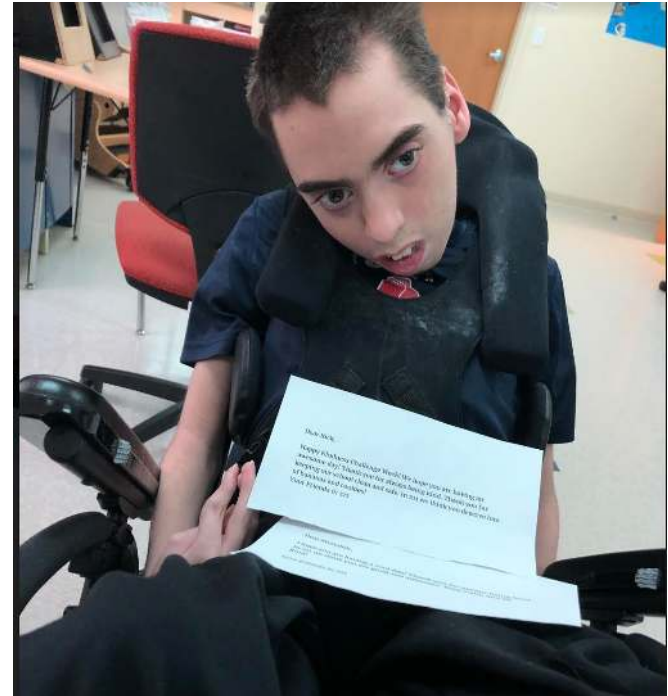

Joey helped his mom deliver goody bags to his sister's friends!

Our class wrote kind letters to teachers around the school and delivered them.

Bryan helped  
deliver his friends'  
switches when  
they forgot them  
for speech!

Alisha greeted her friends at the door with a smile!

Sean has been kind to himself by taking extra good care of his teeth! He also shows kindness towards his friends Scott and Mara who help him make teeth brushing more enjoyable!

Harry Facetimed his friend to tell him jokes and listen to him practice playing the Trombone.

Harry invited some friends over to hangout outside and meet his new dog, George

Daniel helped his Mom do the dishes

Daniel and his brother Sam joined to make dinner for their family. They made homemade pizza!

Daniel thought it would be kind to bring his dog Chloe to school to show his friends....Mom ended up ruining that party but Daniel shared pictures with his friends and made us all laugh!

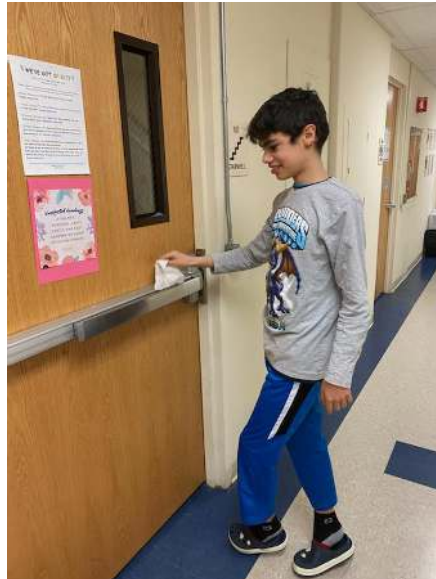

## Sophia - ABLE Program

Sophia wanted to share her love for football with her fellow peers in the TEC Campus School! She created a survey for her peers to fill out and decide on which team they think will win the Superbowl this year. She went door to door (following Covid protocols of course) with her communication device explaining her project to teachers and classmates. She also kept tallies on a poster she made in room 109! She was so excited to hear what her TEC friends thought about the game!

## ABLE Program

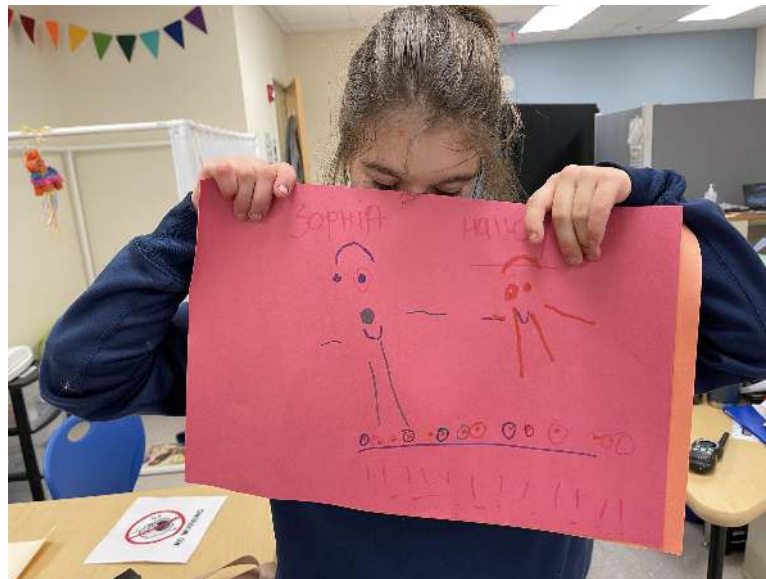

The students of 109 helped disinfect the handles, knobs, light switches in the basement. Thank you for helping us clean Mathias, Sophia and Martha!

# FRIENDSHIP!

Hailey made Sophia a card to cheer her up when she was sad. Thank you for being a great & thoughtful friend, Hailey!

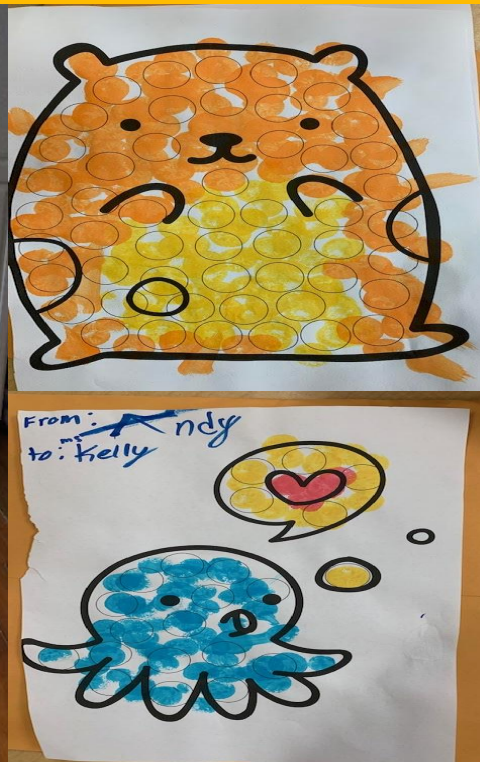

## Class 218:

Maddy, Eliza and Arush painted rocks and shells with kind words on them such as "Be Happy" and handed them out to teachers.

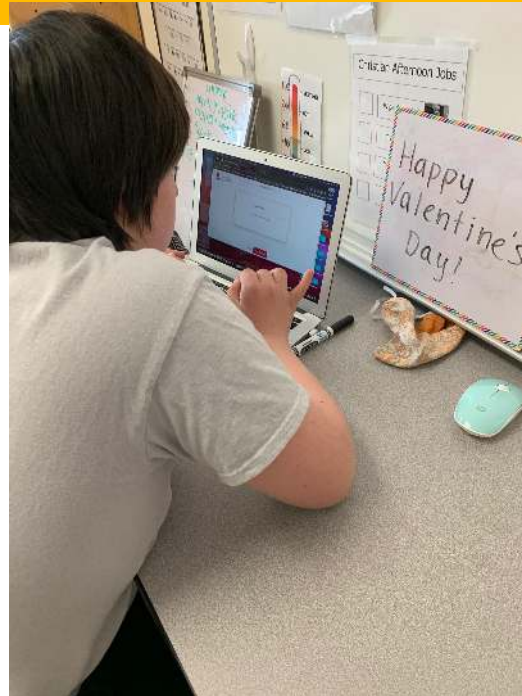

Andy made his famous Dot-Art for his teachers and classmates.

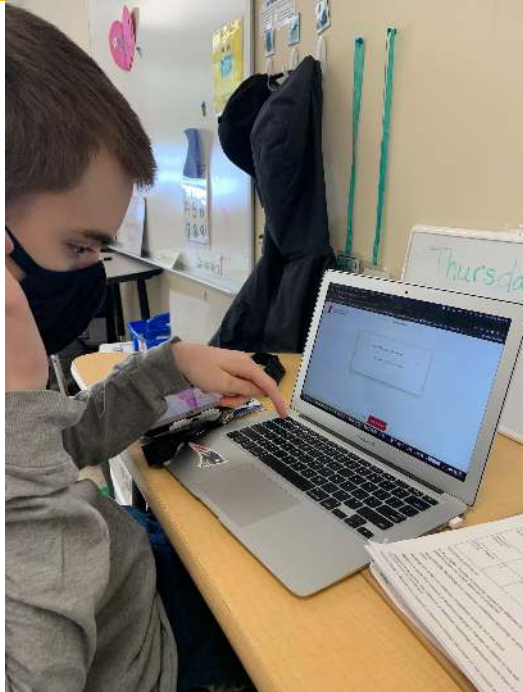

The students of Room 111 made Valentine's cards on the computer to send to children who are staying at St. Jude Children's Research Hospital.

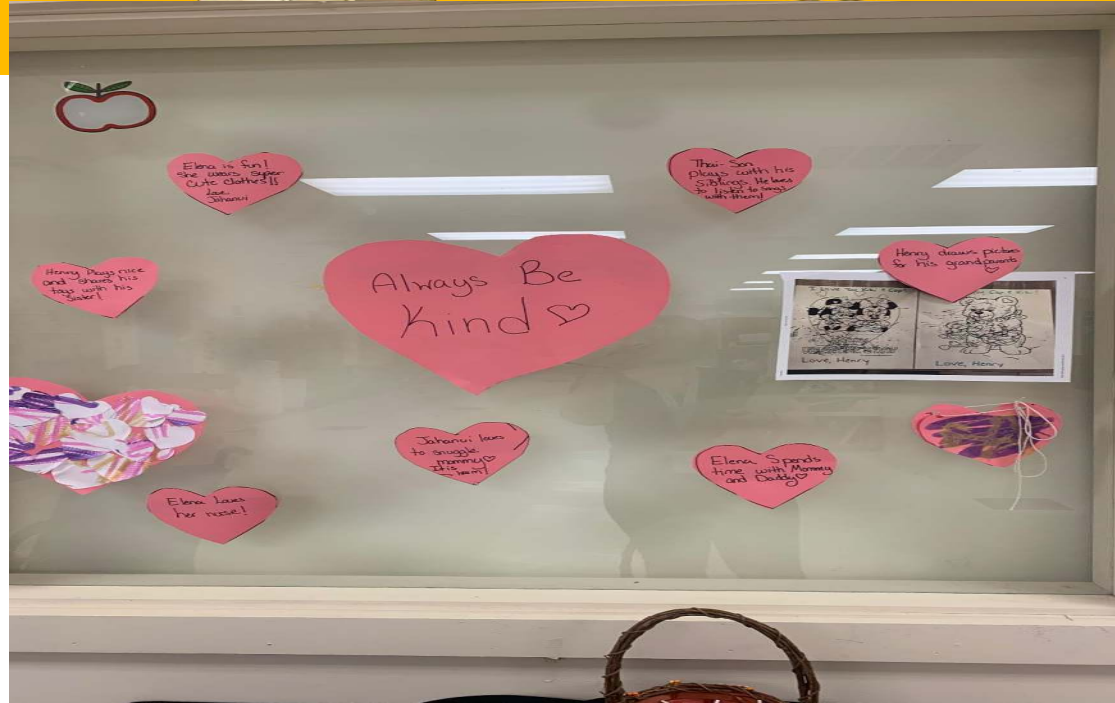

They hope the Valentine's help make the children feel better by reminding them that they are special and loved!

In Early Childhood, We had a Kindness Challenge =) We talked about an act of kindness we did each day and posted them to our kindness board!

Check out some of the great things our little ones from Early Childhood did! From drawing pictures for relatives, to picking something they liked about a classmate, to sharing activities they do with loved ones to show they care! <3 Always be Kind! <3

**AJ and his sister made a list of acts of kindness. Everytime they do something kind, they add a link to their chain.**

**Stuart was very kind to  
Martha. Even after saying  
“Hi,” he then held the  
door for her.**

Stuart helps out at home.

He will shovel and loves using the snowblower. It is very kind to help when we get so much snow. Thanks for helping!

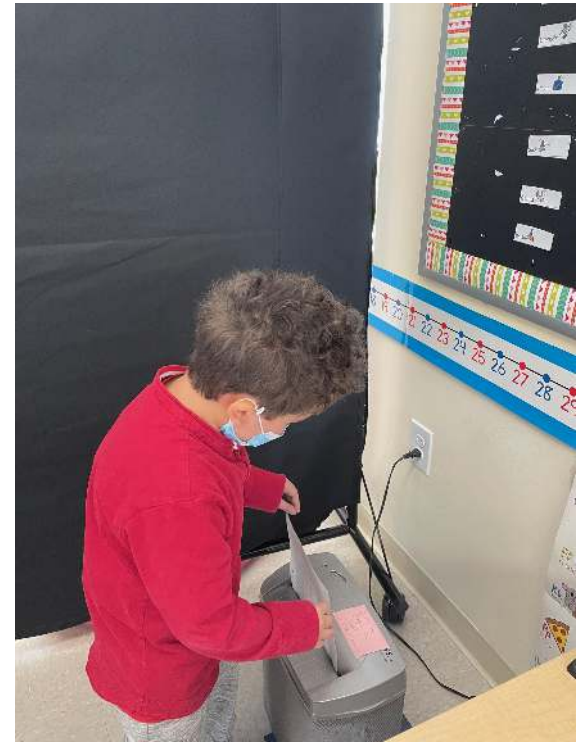

At home Christo has been getting along with his sister.

When asked to do a task, he is doing it.

Henry is helpful in the classroom. He opens the door for people coming in or leaving the classroom. He helps turn on the lights and does his work. He really enjoys shredding paper. At home he likes to help his mom cook (especially pizza).
